CBU 01

Name	: Extension Board 12W
USB Port	: 2 USB 2.1A
Item Code	: CBU 01
Material Type	: PP
LED Indicator	: Yes
Voltage	: 240V
Current	: 220-240 V
2M Power Cord	: 6A Max, 2.1 Amp USB
Colour	:
	: White

PRODUCT FEATURES

- Extension Board 12W, 2 USB 2.1A
4 Universal sockets
- Night Lamp
- Overload protector resettable switch
- 2M ISI Power Cord
- Surge protector
- Home appliances, Computers, Laptops, Music System and other electrical devices

1 year warranty

CBU 02

Extension Board 4 Universal Socket

Name	: Extension Board 4 Universal Sockets
Item Code	: CBU 02
Material Type	: PP
LED Indicator	: 240V
Voltage	: 220-240 V
Current	: 6A Max
2M Power Cord	:
Colour	: White

PRODUCT FEATURES

- Extension Board 4 Universal Sockets
2M Power Cord
- LED supply indicator
- Home appliances, Computers, Laptops, Music System and other electrical devices
- Surge Protector

1 year warranty t

CBU 03

360 Degree Round Eextension 5

PRODUCT FEATURES

- 5 Universal sockets
- Master Switch
- LED indicator
- Overload protector resettable switch
- 2M power cord
- Surge protector

Name : 360 Degree Round Extension
Item Code : CBU 03
Material Type : PP / ABS
LED Indicator : Yes
Voltage : 220-240 V
Current : 6A Max
2M Power Cord :
Colour : White / Yellow / Grey / Red

1 year warranty

CBU 04

360 Degree Round Eextension 6

PRODUCT FEATURES

- 6 Universal sockets
- Master Switch
- LED indicator
- Overload protector resettable switch
- 2M power cord
- Round power strip
- Surge protector

Name : 360 Degree Round Extension 6
Item Code : CBU 04
Material Type : PP / ABS
LED Indicator : Yes
Voltage : 220-240 V
Current : 6A Max
2M Power Cord :
Colour : White / Yellow / Grey / Red

1 year warranty

4 Universal Socket

CBU 05

PRODUCT FEATURES

- 4 Universal sockets
- Master Switch
- LED indicator
- 4 Way multi plug

Name	: 4 Universal Sockets
Item Code	: CBU 05
Material Type	: PP
LED Indicator	: Yes
Voltage	: 220-240 V
Current	: 6A Max
Colour	: White / Yellow / Grey / Red

1 year warranty

CBU 06

360 Degree Round Extension Reel

PRODUCT FEATURES

- 3 Way Universal socket
- Master Switch
- LED indicator
- 3 Way extension reel

Name	: 360 Degree Round Extension Reel
Item Code	: CBU 06
Material Type	: PP
LED Indicator	: Yes
Voltage	: 220-240 V
Current	: 6A Max
Power Cord	: 5 meter cable length
Colour	: White / Yellow / Grey / Red

1 year warranty

USB Travel Adapter

CBU 07

Name : USB Travel Adapter
 Item Code : CBU-07
 Material Type : PC
 Voltage : 240V
 Current : 6A Max
 USB Output : 5V DC, 2100mA

- Universal socket
- Compatible with multi-country plug
- Sleek Design
- Heat resistant body

Do not use for appliances such as Geyser, Refrigerator, Iron, Air conditioner etc.

CBU 08

16A EXTENSION BOARD

PRODUCT FEATURES

- Compact Design
- 6A & 16A Indian combined socket extension board
- Fire retardant Polycarbonate body upto 750 degrees (shock proof body)
- Heavy Duty Powercord with ISI Mark
- Fire Retardant PVC Cable
- All appliances including heater with total maximum load upto 3000 Watts
- Safety shutters to protect from electrical shock on 16A
- Fuse protection and Surge protection
- LED On/Off switch

- Sleek Design
 - Heat resistant body
- 1 year warranty

Material Type : PC
 Safety Shutter : Yes
 LED Indicator : Yes
 Voltage : 240V
 Current : 16A Max
 Protection : Fuse Type
 Maximum Power Load : 3000 Watts
 Cable length : 2 meter

16 A EXTENSION REEL

CBU 09

PRODUCT FEATURES

- 4 Meter cable length
- Ultra smooth rotation
- LED supply indicator
- Universal sockets
- Home appliances Computers, Laptops, Music System and other electrical devices

- Universal sockets
- Compatible with multi-country plugs
- Sleek Design
- Heat resistant body

Material Type	: PC
LED Indicator	: Yes
Safety Shutter	: Yes
Voltage	: 240V
Current	: 16A Max
Max Power Load	: 3000 Watts
Cable length	: 4 meter

1 year warranty

CBU 10

16A MULTI PLUG

PRODUCT FEATURES

- 2 6A Indian sockets and 1 combined 6A / 16A socket
- Fire retardant Polycarbonate body upto 750°C (shock proof body)
- All appliances including heater with total maximum load upto 3000 Watts
- Stylish and striking colours
- Ergonomic grips to pull out easily

- Universal sockets
- Compatible with multi country plugs
- Multiple colours
- Heat resistant body

Material Type	: PC
Voltage	: 240V
Current	: 16A Max
Max Power Load	: 3000 Watts
Colour	: White Orange
	: White Blue

1 year warranty

CBU 11

PRODUCT FEATURES

- Ergonomic design
- Universal socket, compatible with most of the worlds plug
- Striking and stylish colours
- Individual switch
- Home appliances, computer, music system & other electrical devices
- 2.1 A USB port for fast charging
- Shock proof body
- 2 Meter .5 sq. mm ISI Power cord
- Overload protection
- LED On/Off switch
- Fire resistant PVC cable
- Voltage AC-240 V 50Hz
- Surge protected

Product Code : CBU11
Material Type : PC
Connector : Brass
LED Indicator : Yes
Voltage : 240V
Current : 6A Max
USB : 2.1A

- Universal sockets
- Compatible with multi-country plugs
- Sleek Design
- Heat resistant body

1 year warranty

CBU 12

POWER BUN WITH DUAL USB

PRODUCT FEATURES

- Ergonomic design
- 2 Universal sockets
- Dual 2.1 A USB ports
- Shock proof body
- 2 meter ISI marked cable
- Unique built-in mobile stand
- Surge protection
- Fire resistant Cable
- Master switch

Product Code : CBU
12 USB : 2.1 A
Material Type : ABS
LED Indicator : Yes
Voltage : 240V
Current : 6A Max

- Universal sockets
- Compatible with multi-country plugs
- Sleek Design
- Built-in mobile stand
- Heat resistant body

1 year warranty

USB Night Lamp

CBU 13

Name : USB Night Lamp
Item Code : CBU-13
USB Port : 2.1 A
Material Type : PC

PRODUCT FEATURES

- USB 2.1 A dual type A charging port
- Portable and sleek design
- Nickel plated brass pins
- Touch sensor night-friendly on-off switch
- 0.5 Watt LED cool white night lamp

1 year warranty

Sleek Design
